ACCOMMODATION + EXPERIENCES

MALMBACKA

Welcome to Malmbacka, Finland's only cottage and coal village located in the cultural-historical Snappertuna in western Uusimaa. Here you can experience de-stressed life in nature, prepare food over an open fire, enjoy a nice sauna bath, the peace, quiet and sleep in a charcoal hut on sheepskins. Experience the charcoal weekend which is arranged annually during the weekend week 36. Here you can learn about charring in miles and the flowering of the ironworks during 17th-20th century.

Group size

Simple timbered cabins and charcoal huts for about 30 people.

Season: Open all year round

Price for overnight stay in 2022: We offer overnight packages from 40€ - 120€. The overnight price includes the overnight place, sauna, barbecue area, simple kitchen equipment, matches, drinking water, firewood and nature trail. In addition to this package, you can choose and book other experiences from our website, see experiences and activities.

Services in Swedish, Finnish and English

GUIDED TOURS

WILD EDIBLE PLANTS

Have a guided walk that through different senses introduces you to the wild, edible plants that Finnish nature offers. Leaves, roots, flowers and young shoots of different herbs are survival food, and also trendy superfood! The tour will give you a presentation of around 20 edible plant species. After the walk some small prepared tastings are served. This two-hour long excursion takes place next to the ruins of the medieval Raseborg Castle or at Munsterhjelm Art Center nearby.

Price per pax: 25 € (incl. VAT%)

Group size: 5-15 persons

Season: 8.5.-15.10

Guided tours are held in Swedish, Finnish and English

Bookings and information:
tel. +358 50 3209 864

GUIDED TOURS

ARCHIPELAGO-MATTI

The most beautiful sight of Western-Uusimaa is the archipelago, which is almost unreachable without a boat of your own. Matti will take you to experience the nature and atmosphere of the archipelago. Finnish Archipelago is one of the worlds largest, and within Tammisaari region more than 1300 islands. Matti is a licensed charter boat operator and possess a good knowledge of the archipelago. Trip to the archipelago can be arranged for a group of four. Fishing trips can be arranged for two guests.

You get to feel the breeze of sea wind, admire the rugged nature of the rocky islands and the open sea. You will get a chance to experience the old Jussarö Island with its history filled with mining and army base, or visit the nature walk in Älgö Island and the fishing estate in Rödjan.

Prices/ group:

4h excursion 320€/ group (1-4 pax), alv 0%

6h excursion 420€/ group (1-4pax), alv 0%

Season: 1.5 – 31.8.2022 (weather reservation).

Guided tours are held in Finnish and English

EXHIBITIONS

MUNSTERHJELM ART CENTER

In an old small farm embedded in a pastoral environment and transformed into an art center you will experience something new - high quality art exhibitions in unique spaces closely integrated with the nature. In 2022 the painting of the late Finnish-Russian master Georges von Swetlik and his student Riggert Munsterhjelm is exhibited. In their art western and eastern traditions are exceptionally united in both a classical and a modern manner. Worth seeing, indeed!

Day 2 – The Historical Raseborg

Raseborg Castle Ruins
Raseborg medieval castle is one of the grandest castle ruins in Finland. It tells the story from the fascinating Middle Ages when Finland was part of the Swedish kingdom. Life in Raseborg didn't stand still; the castle was used as an administrative centre, but also hosted the glamorous everyday life of the Swedish court. Roam the Knight's Hall and the solars, peek through the loopholes of the hallways and admire the scenery from the vantage point.
